Code of Behaviour

SCOIL NAOMH IÓSAF

1. INTRODUCTION

In compliance with Section 23 of the Education (Welfare) Act 2000, the Board of Management of *Scoil Naomh Iósaf* has prepared and made available a Code of Behaviour for its Pupils, Staff and Parents.

The Code of Behaviour details:

1. The standards of behaviour that shall be observed by each pupil attending the school;
2. The whole school approach in promoting positive behaviour;
3. The measures that shall be taken when a pupil fails or refuses to observe those standards;
4. The procedures to be followed before a pupil may be suspended or expelled from the school concerned;
5. The grounds for removing a suspension imposed in relation to a pupil
6. The school's Anti-Bullying Policy; and
7. The procedures to be followed in relation to a child's absence from school.

The Code of Behaviour of *Scoil Naomh Iósaf* has been developed in accordance with '*Developing a Code of Behaviour: Guidelines for Schools*', National Educational Welfare Board, 2008.

2. POLICY FORMULATION

In formulating this policy the Board of Management completed the following steps;

- i. Parents Association and Staff were informed that an initial draft of the Code of Behaviour was available and they were invited to make submissions on the content of the code within a specified timeframe.
- ii. Class teachers were requested to discuss the topic of 'rules' with their classes and submit a list of pupils suggestions to the Principal.
- iii. The initial draft of the Code of Behaviour was reviewed and where appropriate amended in-line with the feedback received.
- iv. The finalised draft of the policy was submitted for the Patron's Approval.

3. AIMS & OBJECTIVES OF THE CODE

The aims and objectives of the code are:

- To allow the school to function in an orderly way where children can make progress in all aspects of their development
- To create an atmosphere of respect, tolerance and consideration for others
- To promote positive behaviour and self-discipline, recognising the differences between children and the need to accommodate these differences

-
- To ensure the safety and well being of all members of the school community
 - To assist school staff, parents and pupils in understanding the systems and procedures that form part of the code of behaviour and to seek their co-operation in the application of these procedures
 - To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner throughout the school.

4. WHOLE SCHOOL APPROACH

The Board of Management recognises the importance of creating consistent values, policies, practices and relationships that support the Code of Behaviour. Such an environment may only be formed by involving the entire school community and in this respect the Board acknowledges the importance of the roles played by, the principal, teachers, ancillary staff and parents in the review and operation of the Code.

5. STANDARDS OF BEHAVIOUR

5.2 Staff

It is the Principal's responsibility to ensure the school's Code of Behaviour is administered in a manner that is consistent and fair to all pupils. However each staff member has responsibility for the maintenance of discipline within common areas of the school.

Teaching staff are specifically responsible for the management of behaviour within their own class.

They will:

- Discuss the Code of Behaviour with their class in an age appropriate manner at the beginning of the school year.
- Ensure the rules are displayed in the classroom.
- Encourage self-discipline and positive Behaviour.
- Ensure there is an appropriate level of supervision at all times.
- Implement the reward/sanction scheme in a fair and consistent manner.
- Keep a written record of all incidents of continued, serious or gross misconduct. This record will indicate the advice and/or warnings given to the child on the misbehaviour and, the consequences of its repetition.
- Inform pupils when instances of misbehaviour on their part are being recorded.
- Report repeated instances of serious misbehaviour to the Principal.

5.3 Parents/Guardians

Parents/guardians play a crucial role in shaping attitudes in their children which produce positive Behaviour in school. Parents/guardians can assist the school by encouraging their children to abide by the school rules, encouraging punctuality and regular attendance and by ensuring that homework is given due time and effort.

Should a parent/guardian be concerned about any aspect of their child's behaviour they are welcome to make an appointment to discuss their concerns.

In cases of an identified pattern of misbehaviour parents will be invited to participate in the intervention process.

6. PROMOTING POSITIVE BEHAVIOUR

As a general rule the school will endeavor to create an environment where positive Behaviour is reinforced through praise and reward. School staff will use encouraging language and gestures, both in class and around the school, so that positive Behaviour is instantly recognised and positively rewarded. Special attention will be paid to pupils who have previously been associated with poor Behaviour so that not only good Behaviour but also improvement in Behaviour is acknowledged.

A reward scheme for promoting positive Behaviour will be used. Such rewards will include;

- Weekly awards – Student of the week
- Announcements at assembly
- Special privileges
- Class Reward systems

7. INAPPROPRIATE BEHAVIOUR

In order to establish a common understanding and consistent response the Code of Behaviour classifies misbehaviour into three levels based on the degree of disruption caused by the misconduct. The Code also specifies the disciplinary actions and supportive interventions that will be employed.

Level One

Level 1: Behaviours

Level 1 behaviours are those that interfere with the orderly learning environment of the school, classroom, and common areas. Students learn through their mistakes. To this extent, responses to the daily behaviours, which occur in school, will be developmentally appropriate, instructive and positive. Children will be taught what is expected and how they should behave. Listed below are some examples of the types of Behaviour that are included in Level 1. Please note the list is not exhaustive.

- Failure to prepare for class, as defined by individual teachers
- Running in the hallways
- Disturbing the work or play of others
- Disrespectful language, tone, or manner
- Ignoring staff requests

Level 1: Disciplinary Actions

Consequences for Level 1 behaviour are dependent upon the severity and frequency of the specific behaviour. Teachers will discipline students at level 1. Some examples of Level 1 responses are:

- Verbal reprimand/reminder(s)
- Reinforcement of alternative positive behaviour

-
- Temporary separation from peers, friends or others
 - Prescribing additional work
 - Loss of privileges
 - Parent contact
 - Behaviour contract

Level 1 Supportive Interventions

Listed below are some examples of Level 1 supportive actions:

- Classroom-based interventions, such as Open Circle or class meetings, with the option of informal consultation, (e.g. with parent(s)/guardian(s) or staff members)
- Discussion of behaviour with the child
- Informal notes regarding incident/intervention/date. This information would be useful should a problem persist.

Level Two

Level 2: Behaviours

Level 2 behaviours are those that seriously interfere with the orderly environment of the school and are potentially dangerous to the safety and well being of the students and staff. Listed below are some examples of the types of behaviour that are included in Level 2. Please note the list is not exhaustive.

- Repeated instances of Level 1 behaviour which have not been modified by intervention
- Behaviour which is dangerous to self or others (e.g. shoving, pushing, hitting)
- Intentionally damaging school or personal property
- Stealing
- Cheating
- Use of profanity
- Derogatory reference to another person's race, gender, religion, physical condition, disability, or ethnic origin
- Disrespectful language or behaviour toward an adult
- Possession or use of dangerous toys or sporting equipment (e.g. bow and arrows, any kind of knives, etc.)
- Leaving the school without permission during the school day or leaving the care of school staff during school outings.

Level 2: Disciplinary Actions

The disciplining of students for Level 2 behaviour is dependent upon the severity and frequency of the specific behaviour and developmentally appropriate levels. The disciplinary actions at Level 2 are administered by the Principal, and include the formal notification of parents, with written documentation. Some examples of Level 2 responses are:

- In school supervised detention
- Report submitted to the Board of Management
- Meeting with parent(s)/guardian(s)
- Suspension from school of one to five days, depending on the severity of the Behaviour
- Implementation of extensive Behaviour management plan

Level 2: Supportive Interventions

Listed below are some examples of Level 2 supportive actions:

- Team conference to include classroom teacher, other involved staff, Assistant Principal or Principal.
- Request for assistance from external agencies such as the National Educational Psychological Service, Health Service Executive Community Services, the National Behavioural Support Service, Child and Adolescent Mental Health Services, National Council for Special Education.
- Referral of a Child displaying behavioral problems for psychological assessment (with the parent(s)/guardian(s) consent).

Level Three

Level 3: Behaviours

Level 3 behaviours are considered the most serious violations. These behaviours endanger the immediate health, safety and personal well being of the pupils and staff of the school. They represent a direct threat to the orderly operation of the school environment. Situations, which include illegal activity, may result in contact with the Garda Síochána after parental involvement. Listed below are some examples of the types of behaviour that are included in Level 3. Please note that the list is not exhaustive.

- Repeated or serious instances of Level 2 behaviour which have not been modified by intervention
- Setting fires
- Intentional possession or use of weapons
- Violent fighting or intentionally causing physical harm to others
- Discriminatory or prejudicial activities or actions toward another person or group involving race, gender, religion, physical condition, handicap, or ethnic origin

Level 3: Disciplinary Actions

Behaviour at Level 3 may involve suspension from school. The length of the suspension will depend upon the severity and frequency of the specific Behaviour. Specific information about due process and procedures in respect of the issuing of a suspension is contained in this document. Level 3 responses:

- **Suspension from school for one to five days:**
This response will occur with the first incidence of Level 3 behaviour or Level 2 behaviour of significant severity. The Principal following due process and procedure, can issue a suspension.
- **Suspension from school for five to ten days:**
This response will occur with the repeated incidence of Level 3 behaviour or a severe expression of this Behaviour. A suspension of this magnitude will only be issued with the approval of the Board of Management.
- **Expulsion:**
Repeated incidents of Level 3 behaviour can result in a pupil being expelled.

8. PROCEDURES FOR SUSPENSIONS & EXPULSIONS

8.1 Suspension

Definition of Suspension:

'requiring the student to absent himself/herself from the school for a specified, limited period of school days'

Developing A Code of Behaviour: Guidelines for Schools, National Educational Welfare Board

Authority to Suspend:

The Board of Management of *Scoil Naomh Iosaf* has formally and in writing delegated the authority to impose an 'Immediate Suspension' to the Principal Teacher. An 'Immediate Suspension' may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

Furthermore, the Board of Management has formally and in writing delegated to the Principal Teacher the authority to impose an 'Automatic Suspension' for named behaviours detailed in this policy. An Automatic Suspension may be for a period of one to three school days depending on the severity of the specific behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

The Board retains its authority to suspend a student in all other cases/circumstances.

Immediate Suspension and Automatic Suspension

An 'Immediate Suspension' will be deemed to be necessary where after a preliminary investigation the Principal reaches the determination that the continued presence of the pupil in the school at the time would represent a serious threat to the safety and wellbeing of pupils or staff of the school. An 'Immediate Suspension' may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

An 'Automatic Suspension' is a suspension imposed for named behaviours. An Automatic Suspension may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

Parent(s)/Guardian(s) will be informed of an Immediate or Automatic Suspension by telephone, and arrangements will be made with them for the pupil to be collected. In no circumstance will a student be sent home from school prior to his parent(s)/guardian(s) being notified. Formal written notification of the suspension will issue in due course, but no later than 2 school days after the imposition of the suspension. Such a notification will detail:

- the duration of the suspension and the dates on which the suspension will begin and end
- the reasons for the suspension
- any study programme to be followed
- the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s).

The Board of Management acknowledges that the decision to impose either an Immediate or Automatic Suspension does not remove the duty to follow due process and fair procedures. In this regard, and following a formal investigation, to be completed no later than 2 school days after the incident the Board will invite the pupil and his parent(s)/guardian(s) to a meeting to discuss;

- the circumstances surrounding the suspension,
- interventions to prevent a reoccurrence of such misconduct.

The Board of Management of *Scoil Naomh Íósaf* acknowledges the fundamental importance of impartiality in the investigation process. In this regard the following undertaking is given;

- iii. The person(s) involved in the investigation process will on presentation of a full report of the facts absent himself/herself/themselves from the decision-making process.

Where a decision to suspend has been made the Chairperson of the Board of Management will provide written notification to the parent(s)/guardian(s) and the pupil of the decision. The letter will confirm:

- the duration of the suspension and the dates on which the suspension will begin and end

-
- the reasons for the suspension
 - any study programme to be followed
 - the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s)
 - the provision for an appeal to the Board of Management.

Where a suspension brings the total number of days for which the pupil has been suspended in the current school year to twenty days the parent(s)/guardian(s) will be informed of their right to appeal to the Secretary General of the Department of Education and Skills under Section 29 or the Education Act 1998 and will be provided with information on the submission of such an appeal.

In this event the Principal (or nominee) will:

- i. inform the parent(s)/guardian(s) that the Board of Management is being asked to consider expulsion

This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published by the Department of Education & Skills in September 2013.

11.1 Best Practice in the Prevention of Bullying Behaviour

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

- A positive school culture and climate which-
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community;
- Effective leadership;
- A school-wide approach;
- A shared understanding of what bullying is and its impact;
- Implementation of education and prevention strategies (including awareness raising measures) that-
 - build empathy, respect and resilience in pupils; and
 - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
- Effective supervision and monitoring of pupils;
- Supports for staff;
- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- On-going evaluation of the effectiveness of the anti-bullying policy.

11.2 Definition of Bullying

In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools, DES, 2013*.

11.3 School Contact Personnel

The relevant teachers for investigating and dealing with bullying are as follows:

- Class Teacher – Deals with the initial allegation/suspicion of bullying behaviour
- Stephen Lavin (Principal) – Where bullying behaviour is suspected by the class teacher, the principal should be informed
- Sadie Neville (Assistant Principal) – Is responsible for formulating the Behaviour Support System (strategies to be formulated according to individual child and their circumstances in consultation with child, class teacher and parent)

11.4 Education & Prevention Strategies

The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows:

- General Awareness on the part of the staff of the extremely serious nature of bullying and the severe consequences that may result in situations where it is not addressed
- A recognition by staff of the fact that any student can be victim of, or perpetrator of bullying behaviour
- Regular class reminder in class and during Assembly of our school ethos where pupils and staff reflect on the importance of a positive school climate, where each individual is respected and where the development and preservation of self-esteem is valued.
- Preventative strategies include staff vigilance and a comprehensive SPHE plan in every class
- A school approach to discipline which reflects the fact that pupils model their behaviour on adults and which therefore employs techniques such as positive motivation and recognition as opposed to methods based on fear and threat.
- Raising the awareness of bullying as a form of unacceptable behaviour through curricular initiative in areas such as novel exploration, drama, co-operation and the control of aggression
- An Anti-bullying charter for the school
- Comprehensive supervision and monitoring measures are in place through which all areas of the school are kept under observation. This includes before and after-school supervision as well as separate junior and senior yard areas for supervised playtimes
- Staff will endeavour to identify signs of **cyber bullying** and to keep informed about technologies that children commonly use
- Advice will be communicated to help students protect themselves from being involved in bullying(as perpetrator or as a victim) and to advise them on reporting any incidents
- Students will be informed about cyber bullying during the course of their education
- Pupil mobile phones will not be allowed in the school except on certain occasions: eg school tours and only with parental or teacher permission
- Gardaí visit the school from time to time and will discuss cyber bullying
- Teachers will dedicate a stand-alone lesson to deal with cyber bullying
- Students and staff are expected to comply with the school's policy on the use of computers in school (Acceptable Usage Policy)
- Parents will be provided information and advice on cyber bullying
- Parents are advised that it is illegal for a child unde 13 to register with and use many social media networks

- Scoil Naomh Lósaf's internet is filtered which endeavours to block access to any inappropriate site
- No pupil is allowed to work on the Internet in the Class Room, or any location within the school, within a member of staff present
- **Identity Bullying:** Working together in a supportive, respectful partnership within an inclusive school environment is central to our vision
- Many of the above issues are dealt with on an ongoing basis through our SPHE curriculum of which RSE is a key component
- Programmes such as Stay Safe and Walk Tall are followed in the school
- Diversity is celebrated in the school by highlighting different cultural celebrations
- Exploration of identity based themes through class novels e.g: Racism in "Role of Thunder, hear my cry", History Lesson e.g: Apartheid etc

11.5 Investigation & Follow-Up Procedures

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

- All interviews will take place outside the classroom situation with due regard to child protection measures e.g: Door to office/room left open
- A written record of discussion will be kept and pupil may be asked to give his own account if this is appropriate
- If a gang is involved, Pupils will be interviewed individually and then the gang will be met as a group, where each will be asked to give his account. Each member of the gang will be helped to handle the possible pressures that often face them from other members after interview by teacher/principal
- If it is determined that a pupil has engaged in bullying behaviour it will be made clear to him that he is in breach of the school code of Behaviour and discipline
- Efforts will be made to assist the pupil in seeing the situation from the victim's viewpoint.
- In cases where bullying behaviour has occurred, parents/guardians of the two parties involved will be contacted. They will be referred to this school policy. Action being taken and the reason for it will be explained to them and ways in which they can reinforce or support the school action will be explored
- **Follow up** contact with the two parties may be organized to take place within one month of the investigation. The possible therapeutic effect of a bringing together of victim and bully at a future date will be considered if the victim is ready and agreeable to do so
- Following any incidents of bullying, the school recognizes the issues relating to bullying may need to be looked at. This will involve exploration of suitable programmes with victims, bullies and their peers. Whole school focus or specific class lessons may need to be revised, dealing with respect, self-esteem, aggression or the issue of bullying itself.
- If, during the course of the investigation, there are child protection concerns, the Children First 2011 guidelines become relevant as does the school's Child Protection Policy
- Info regarding any Past bullying incidents will be passed on to new teacher at the start of the year.
- Where the school feels an individual needs specific support from outside agencies, a referral to NEPS will be considered

-
- The effectiveness of this school policy will be assessed regularly with regard to the level and type of bullying behaviour that may be happening in the school. Amendments will be made to reflect any change in approach deemed necessary

11.6 Working with Pupils Affected by Bullying
